#### TESTIMONIALS:

Beth, your webinar was INCREDIBLE! So powerful, so passionate, so inspiring. It's especially inspiring because you live exactly as you taught today – dreaming for God, chasing those dreams, and living to the fullest for Him. I'm so in awe of you! What an honor to witness your first webinar – there will be many more to come!

“What I love about Beth Jones' teaching is the way she encourages and inspires women to move into God's plans for their lives. It doesn't matter what your past looks like. It doesn't matter what obstacles you are facing now. When you grab hold of Jesus and don't let go, and you seek His plan for your life, well then you can do anything He calls you to do because He equips you for it. You'll come away from listening to Beth feeling ready to let go of your past and excited about what God has in the future for you.”
