

*"One step at a time.
You'll get there."*

THE POWER OF SHOES
BETH M. JONES WWW.BETHJONES.NET

Shoes are important.
They protect & support our feet.

Shoes take us places.
Where God wants us to go.

The right kind of
shoes can even
change your life!

Like Cinderella's glass slipper
transformed her life!

Where are your shoes taking you?

One thing we can pray is,
"Here I am, send me!" (Isaiah 6:8)
And God will!

Our daughter Leah & me at the
Cliffs of Moher, Ireland in 2018.

Places that you dream of going!

The key is surrender and
obedience to God.

Don't compare yourself to others,
feeling envious and jealous, trying to
fit into their beautiful shoes.

Only Cinderella's foot fit the glass
slipper. The Prince chose her
to be His bride.

Wear your shoes.
Share your unique, powerful message!
